Professional Summary

Detail-oriented Document Administrator with a proven track record of managing end-to-end documentation for large-scale infrastructure and power plant projects. Expert in Aconex EDMS, with deep hands-on experience in MDR setup, transmittal management, revision control, and audit-compliant filing systems and consistently recognized for delivering measurable efficiency gains through strategic EDMS workflow improvements and process standardization.

Professional Experiences

01. **Company Name:** TOA Corporation

Project Name: Dhaka Mass Rapid Transit Development Project (Line-5N, CP-01)

Position: Document Controller

Date: December 2023 – Present

- Managed full document control lifecycle using **Aconex** EDMS, including document registration, transmittals, submittals, revision control, and maintenance of accurate filing systems.
- Maintained engineering drawings, method statements, technical submissions, RFIs, and official correspondence, ensuring accurate version control and audit trail compliance.
- Developed and maintained Master Document Registers (MDR), submission trackers, and document logs to monitor document status, approvals, and distribution.
- Configured **Aconex** folder structures, metadata fields, and shortcuts to improve document accessibility, search efficiency, and correspondence management.
- Generated weekly, monthly, and annual document control reports for project management and consultant teams, ensuring accurate tracking of document status, submissions, and approvals.
- **Achievement:** Established a centralized EDMS workflow, reducing document retrieval time by approximately 40% and improving cross-team document distribution efficiency.

02. **Company Name:** Samsung C&T Corporation

Project Name: Meghnaghat 718MW Combined Cycle Power Plant

Position: Planning Document Controller

Date: July 2023 – November 2023

- Maintained full project documentation including reports, schedules, registers, meeting minutes, and progress updates using **S-PMIS** document management system.
- Handled document submission workflow, approval tracking, and correspondence management to ensure timely distribution and audit-ready records.
- Managed document flow, ensured timely approvals, and produced weekly, monthly, and yearly progress reports for higher management and internal teams.
- Supported engineering teams through document verification and compliance checks.
- **Achievement:** Optimized the document review process, achieving a 20% reduction in errors through enhanced quality checks and systematic tracking mechanisms.

03. Company Name: SMCC-ITD JV (CP Line-06)

Project Name: Dhaka Mass Rapid Transit Development Project (Line-06, CP-06)

Position: Report Officer (Document Control)

Date: November 2021 – July 2023

- Controlled incoming and outgoing project documents including engineering drawings, reports, technical submissions, and official correspondence.
- Maintained **Aconex** document registers ensuring proper document numbering, classification, metadata management, and revision control.
- Prepared weekly, monthly, and yearly project progress reports highlighting status and pending documentation for management review.
- Ensured digital and physical document archives in compliance with project documentation standards and audit trail requirements.
- **Achievement:** Implemented an efficient document categorization system, reducing retrieval time by 35% and significantly boosting operational productivity.

04. Company Name: Tafrid Cotton Mills Ltd.

Position: Junior Executive (IT)

Date: January 2019 – June 2021

- Provided technical support and troubleshooting for hardware and software issues, including system upgrades and network maintenance.
- Ensured the optimal performance of IT systems, including CCTV and IP phones, LAN/WAN networks, and routers.
- Developed and implemented IT solutions to improve system reliability and performance, ensuring seamless operation across all organizational departments.

Core Competencies

- Aconex EDMS | Master Document Register (MDR) | Transmittals & Submittals
- Revision Control & Versioning | RFI & Technical Submissions | Correspondence Management
- ISO 9001:2015 Compliance | Audit Trail & Quality Assurance
- Document Lifecycle Management | Workflow Configuration | Progress Reporting
- Project Coordination & DMS Administration | Folder Structure Configuration | Digital Archiving

Education

- **B.Sc.** in Computer Science and Engineering, Daffodil International University, 2018 | CGPA: **3.07**
- Higher Secondary Certificate (**HSC**), BPATC School & College, Savar, 2013 | CGPA: **4.50**
- Secondary School Certificate (**SSC**), Ansar V.D.P High School, Gazipur, 2011 | CGPA: **5.00**

Certifications & Memberships

- Member, Institution of Engineers Bangladesh (IEB) – [M-46189](#)
- Document Control: From Principles to Practice – [Alison, 2025](#)
- Quality Management System (ISO 9001:2015) – [Alison, 2025](#)
- PMP Project Management Fundamental – [Alison, 2025](#)

Software Skills

- **Document Management Systems:** Aconex, S-PMIS, Google Drive, Box, Dropbox.
- **Office Productivity Tools:** Microsoft Office (Word, Excel, PowerPoint, Outlook), MS Project.
- **Graphic Design & Editing:** Adobe Photoshop, Adobe Illustrator, Filmora, Canva, CapCut.
- **File Editing & Management:** Adobe Acrobat, Foxit Phantom, PDF-XChange Editor.
- **Operating Systems:** Windows, macOS.

Language Proficiency

- **Bangla:** Native (Fluent in Oral & Written)
- **English:** Proficient (Fluent in Oral & Written)
- **Hindi:** Elementary (Oral & Listening)
